3  **Continuous Improvement Strategy**

Continuous improvement is about applying good business practices within our organisation to ensure the best outcomes for our clients, these are namely our students, the industry we support and the community to whom we provide training.

This Continuous Improvement Strategy involves the collection of relevant information (or data), analysing that data and then applying corrective actions to improve the practices of the RTO. Relevant information is collected through actively engaging with key stakeholders, before, during and after training and assessment.

4  **Your responsibilities as a Student**

All students are provided with information about the course structure, the training and assessment strategies and the assessment tasks or evidence required demonstrating to demonstrate that the student is competent.

**4.1 Competency assessment processes**

There are three types of assessments that occur at different stages for each unit.

- Initial assessments to identify what competencies you already have. (Overall self-assessment.) This occurs during induction/orientation.
- Progressive assessment during training to provide feedback about your progress and to identify any outstanding unit and/or element you need to focus upon.
- Final assessments, which are delivered when the trainer decides the student is ready.

**4.2 How are competencies assessed?**

Assessment may attract both direct (show and tell) and indirect (show, tell and apply) assessment methods. This means that you will be required to produce evidence and/or demonstrate your skills and apply related knowledge associated with that unit of competency.
While demonstration of skills can be seen, underpinning skills such as problem solving, working in teams and understanding etc. can only be assessed through indirect and supplementary assessment. This is often undertaken through projects, case studies, third party reports, written and oral questions.

The level of your performance is assessed against national standards. This means that the evidence you provide and the competencies you demonstrate must meet the standard of performance already set.

During assessment your assessor reviews your evidence and observes the demonstration of your competencies. The Assessor records your evidence and/or demonstrations as “C” - Competent or “NYC” - Not Yet Competent”. Competencies are not ‘scaled’ or ‘marked’.

Broadly it’s simply a matter of whether you are competent (‘C’) or not yet competent (‘NYC’) to demonstrate your skills and provide supporting evidence to the performance standard unless you have been issued with a Recognition of Current Competencies or Recognition of Prior Learning.

If your evidence fails to demonstrate the level of competency for any unit or Performance criteria appropriate to the qualification the assessor can design a flexible training plan /pathway.

4.3 What if you successfully demonstrate competencies in some areas and not in others?

If you are enrolled in a qualification and can only demonstrate competencies in some and not all Units of Competency (UOC) a certificate for the qualification cannot be issued, you will however receive a Transcript for all completed units.

This recognition is a Statement of Attainment and Transcript will identify the qualification name, units of competency and national identification number.

If you elect to continue and complete the full qualification or any outstanding units your assessor will work with you on a training pathway and develop a plan for completing your course of study.

5 Your trainer’s responsibilities

1. Your Trainer will provide clear instructions about what is expected from you during your training and will explain the assessment process in further detail.

2. Training may consist of group/action learning activities and projects, self-paced learning, assignments, case studies, presentations, discussions, workbook activities, research and reports etc. Each unit of competency is clearly outlined and indicates what is expected of you during the learning phase.

3. To ensure a safe learning environment.

4. To ensure they are kept up-to-date with current industry requirements, according to their industry being taught and the training industry.

6 Training Evaluation Form - Student

The purpose of the Training Evaluation Form is to collect feedback from students on the delivery of training and assessment, including training facilities, the trainers’ skills and knowledge, as well as feedback on the resources utilised for delivery of training, and overall satisfaction ranking with the course.

At the mid-way point and completion of each training program a Training Evaluation Form is to be handed out to the participants for completion. The Training Evaluation Forms are to be collected and the relevant trainer will prepare a summary of the evaluations to be given to the RTO Manager for reviewing at the monthly Quality and Compliance Meetings.

In addition to training evaluation, the RTO will conduct random surveys and interviews with industry leaders, clients, students and other community bodies to identify future needs in training.

The RTO Manager will report both positive and negative feedback to the relevant people for discussion. Feedback regarding delivered programs is to be discussed with the trainer that delivered the training with positive feedback being
acknowledged. These discussions are to assist in the revision and adjustment of training material and delivery methods and enable to trainers’ professional development.

Any complaints or issues that are identified from feedback are to be recorded in an Opportunity for Improvement Form for action. Once action has been taken the Opportunity for Improvement Form is to be filed into the Opportunity for Improvement Register. Forms filed into the folder are reviewed at the monthly Quality and Compliance Meetings.

Trainers are to provide feedback on training through the Trainers Report.

7 Language, Literacy and Numeracy (LLN) – 1.7

LLN support is available to provide students with advice and support services in the provision of language, literacy and numeracy assessment services. Student’s needing assistance with their learning should be identified upon enrolment. Trainers and staff within the RTO can provide students with support to assist the student throughout the learning process.

Language, Literacy and Numeracy skills are generally included and identified in Training Products and accredited course programs. In identifying language, literacy and numeracy requirements, students are required to have basic skills in:

- Count, check and record accurately
- Read and interpret
- Estimate, calculate and measure

All students undertaking training are required to undertake an LLN Assessment, unless the student currently holds a Certificate III qualification or above, or can demonstrate equivalent industry experience.

Process for LLN Assessment:

1. RTO to distribute LLN Assessment prior to course commencement, this may be at an information session for full qualification training, or before the session has started for short courses (single units and/or skill set).
2. Student to complete the LLN Assessment
3. An Assessor who holds the TAELLN411 - Address adult language, literacy and numeracy skills unit from the Certificate IV in Training and Assessment qualification, will review the LLN Assessment using the LLN Assessment Tool – Assessors Guide to identify any difficulties the student may have experienced in completing the tool
4. Determine from the LLN Assessment tool, using the “How to determine the support required for the learner” section at the back of the LLN Assessment Tool – Assessors Guide to determine the level of support the student may require to complete the training and assessments.
5. If the student has demonstrated that they have the skills to commence training, determine whether any adjustments should be made to the training to meet the needs of the student (i.e. assistance with writing etc.). If adjustment to training is required complete a Training Adjustment Plan as per the policy and procedure set out on page Error! Bookmark not defined.
6. If the student does not have the skills required to complete training and assessment, determine whether the student needs to be redirected to Language, Literacy and Numeracy Training. (i.e. The Reading Writing Hotline http://www.literacyline.edu.au/)
7. Trainers are required to monitor student progress to identify needs on an ongoing basis, through assessment tools and course participation, to determine whether further assessment or assistance is required
8. If a Trainer identifies any LLN barriers, they are required to notify the RTO Manager as soon as possible so that further assistance can be provided
9. If required, the student may be referred to a third party if the RTO is unable to assist with any barriers to learning. Please refer to the Support Services policy and procedure on page 8 for the process on how to refer a student to support services.

The LLN Assessment Tool may be replaced by an industry specific tool, i.e. it may be replaced by the Community Services and Health Industry Skills Council Practice Activity Quiz, if required.
8 Support Services – 1.7

The RTO caters to diverse client learning needs and aims to identify and respond to the learning needs of all students. All students are encouraged to express their views about their learning needs at all stages of their learning experience from the initial enrolment and induction stage.

The RTO is committed to providing students requiring additional support, advice or assistance while training. To achieve this and to ensure the quality delivery of training and assessment, the RTO provides support services to improve and extend training outcomes. Students are advised to make an appointment with their trainer in the first instance, if required the student can then schedule an appointment with the RTO manager to discuss support services.

Additional support services include:

- Learning Support
- Assistance when applying for RPL or credit transfer
- Whether or not specialist support equipment or personnel is required
- Whether or not any reasonable adjustments need to be applied to suit the candidate context
- Briefings on the assessment process, may be written or verbal. If verbal, must be looked up in writing
- Provision or access to assistive technology
- Additional tutorials to assist with learning
- Assistance in using technology
- Adjustment to equipment (i.e. change of study to support a student with a bad back)
- Referral to LLN assistance
- Mentoring
- Referral to counselling services
- Grievance /conflict resolution
- Stress management
- Access and equity issues
- Client welfare and support

Genuine difficulties for a learner to complete a program in the allotted timeframe are to be brought to the attention of the RTO manager at the first available opportunity.

Services are monitored and improved through Opportunity for Improvement and the Quality and Compliance Meetings.

8.1 Support Services List

The Support Services List provides a list of support services available to students through referral, please refer to the list to identify the most appropriate service for the students. This list is provided on the back of the Student Handbook and includes website addresses and phone numbers to access these services.

If a student is unsure of the service that they require, they should contact their trainer or the RTO Manager to discuss further.

9 Assessment Cover Sheet

The Assessment Cover Sheet is to be provided to the student to complete and attach to their completed Assessment Tasks prior to submission to their Assessor. The cover sheet provides a mechanism for the student to sign a declaration that the work submitted is “all their own work” and that they have kept a copy of their assessment task for their reference. The cover sheet also provides a mechanism for the assessor to provide feedback to the student as well as their result for work completed. A copy of the Assessment Cover Sheet is provided on the back of the Student Handbook.

10 Recognition of Prior Learning (RPL)

All students are eligible to apply for Recognition of Prior Learning and are advised of this on the back of the Enrolment Form and on the course flyer.

Recognition of Prior Learning is granted as a result of identifying and assessing previous and current informal education and training, work experience and/or life experience and knowledge. Previous learning and the evidence supplied is measured against pre-determined performance standards contained within the Units of Competency.

To prepare for recognition of prior learning the student should indicate their decision to apply for recognition as soon as possible after the induction and orientation program. Following is the process for preparing for recognition of prior learning:

In consultation with the trainer/assessor the student should:

- Decide which units are to be recognised
- Provide an Evidence Portfolio in line with agreed evidence plan
- Undertake peer assessment or third party evidence
- Be prepared to 'show, tell and apply' skills and knowledge

Evidence for recognition of prior learning may include any of the following:

- Performance, demonstration, or skills test/assessment
- Workplace or other pertinent observation
- Oral presentation
- Portfolio, logbook, task book, projects or assignments
- Written presentation
- Interview and questions
- Simulations
Students will initially be assessed against the performance criteria and critical aspects of evidence for each unit of competency within the Training Product.

RPL applicants must demonstrate their claim for competency in sufficient detail to enable the assessor to make clear judgements.

Students are required to sign an RPL Assessment Kit, which outlines the requirements of the evidence required for proof of competency. Assessors will develop an Assessment Plan to enable a portfolio to be developed.

10.1 RPL Kit

The RPL Kit is to be completed by students who wish to be given recognition for skills and knowledge that they may currently hold within a field or industry. The application process requires the student to provide evidence of, or demonstrate, their current ability to perform the requirements of each of the performance criteria within the unit of competency of a qualification.

Following is the process for applying for RPL using the RPL Kit:

- Student to contact the RTO and advise that they wish to apply for RPL using the RPL Kit
- RTO to supply the RPL Kit and explain the process for RPL
- RTO to allocate an Assessor to contact the student to ensure that they understand the requirements of the evidence to be supplied
- Student to submit to the Assessor all the required evidence and the completed RPL Kit
- Assessor to review the RPL Kit and determine whether the student has the required skills and knowledge against each Unit of Competency

Once the eligibility of the student has been determined by the Assessor, the kit is to be forwarded to the RTO for Certificate issue.

11 Work Placement

There are two main types of Work Placement requirements, firstly there is the Compulsory Work Placement requirement and secondly it may be a requirement by the RTO that the student undertakes work placement as a key component of their training to assist them to gain employment upon completion or to provide a simulated workplace environment. For Compulsory Work Placements, students may be required to complete a set number of hours in order to meet the minimum requirements of a qualification according to the Training Product requirements.

12 Student Responsibilities

The RTO has a responsibility to protect members of the public (and the students themselves) from being harmed by students taking part in workplace or simulated workplace learning. If there is evidence that your skills or behaviour could present a risk to yourself or other people in the workplace, you may not be allowed to participate in a work placement, at least for a period of time.

To help you understand your responsibilities in the workplace, you will be given a code of practice, which indicates expected standards of behaviour. Your trainer will explain to you and your workplace supervisor the range of duties for which you have the skills and knowledge. You must not carry out duties other than those indicated by your trainer.

You need to take particular care if workplace clients are people who may be in vulnerable circumstances – for example, people who are frail, children, young people, and people with a disability or people who are receiving a type of service which may put them in vulnerable circumstances (e.g. massage therapy or nursing care).

A Working with Children Check must be signed by a student in courses where contact will be made with children and young people. Your trainer will give you more information about this, if required.
Students who have committed a breach of discipline or who are assessed as presenting a significant risk to themselves or others during work placement may be prevented from undertaking or continuing further work placement. This may mean they will not complete the course. Your trainer can provide you with more information about this policy. If you are unsure about whether it may prevent you from completing a course you should discuss the matter with your trainer. In some circumstances students may be required to undertake a Police Records Check prior to undertaking work placement, this will be identified on the course flyer if it is a requirement.

All students should refer to their trainer if they have any questions or require any assistance with regards to their work placement.

13 Supervisors Responsibilities

If an employer agrees to take on a student for work placement, the employer is responsible for providing the appropriate facilities and a qualified person to support the training and supervision of the student in the workplace. Where applicable the supervisor should hold a current qualification for their role and/or skills and knowledge as deemed appropriate for their industry.

The level of supervision provided should be aimed at facilitating the successful achievement of the relevant competencies for each student. This level of supervision should be reassessed on a regular basis, by taking into account the stage of the student and the knowledge, previous experience and training the student has received in a particular area.

The Workplace Supervisor is required to provide opportunities for the student to develop their skills and knowledge and may be involved in coaching or mentoring of the student but does NOT assess the student.

The Supervisor will be required to complete a “Work Placement Supervisor’s Third Party Report” in consultation with the Assessor. The Third Party Report provides information on what the student is required to demonstrate on the job, including the required skills and knowledge for the qualification that the student is undertaking, as well as following or providing feedback on relevant policies and procedures of the workplace.

Depending on the qualification being undertaken policies and procedures may include:

- WHS Policies and Procedures
- Operation of relevant equipment used in the workplace
-Participating in workplace meetings
- Grievance procedure
- Confidentiality and Privacy
- Respecting others
- Property and resources
- Reporting procedures

The Supervisor is provided with an outline of their responsibilities within the Third Party Report, as well as the Assessor and Students responsibilities. Each “Work Placement Supervisor’s Third Party Report”, will include the relevant units that will be required to be completed in the workplace, including the responsibility of the Supervisor for monitoring the students’ competency against these units. This will be completed under the supervision of the Assessor from the RTO.

The Student is responsible for following the instructions of the supervisor, as well as demonstrate to their supervisor that they are competent in each of the tasks they are required to complete as part of their Work Placement requirements.

If a Supervisor requires assistance with their role as a Supervisor, they should contact the RTO Manager or Assessor, who can provide you with further assistance.

13.1 Supervision Arrangements on the job

1. An employer must provide the appropriate facilities and qualified person/s to support the training and supervision of trainees in the workplace. Where applicable the supervisor should hold a current occupational licence and /or skills and knowledge as deemed appropriate for their industry.

2. The level of supervision provided should be aimed at facilitating the successful achievement of the relevant competencies for each individual. It should be reassessed on a regular basis by taking into account the stage of the trainee and the knowledge and previous experience and training the trainee has received in a particular task.
3. The Workplace Supervisor will provide opportunities for the trainee to develop skills and knowledge and may be involved in coaching or mentoring of the trainee but does NOT assess the trainee.

4. The Supervisor will be required to complete a third party report in consultation with the Assessor. The third party report provides information on what the trainee does on the job to demonstrate the required skills and knowledge for the qualification that the trainee is undertaking as well as providing feedback on relevant policies and procedures of the workplace.

5. Depending on the qualification being undertaken policies and procedures include:
   - WHS policies and procedures
   - Operation of relevant equipment used in the workplace
   - Participating in workplace meetings
   - Grievance procedure
   - Confidentiality and Privacy
   - Respecting others
   - Property and resources
   - Reporting procedures

14 Opportunity for Improvement

A key process for managing continuous improvement throughout the RTO is through identifying “Opportunities for Improvement”, these can be improvements to Training and Assessment, Client Services or Management Systems. Examples of when Opportunities for Improvement may be identified include:

- **Training and Assessment:**
  - Reviewing a Training and Assessment Strategy
  - Feedback on Training and Assessment
  - Industry Consultation
  - Assessment Validation
  - Internal Audits

- **Client Services:**
  - Opportunities for Improvement
  - Training Evaluation Form
  - Enrolment Agreement Forms
  - Internal Audit Reports
  - Complaints and Appeals Forms

- **Management Systems:**
  - Quality and Compliance Meeting minutes
  - Review of Continuous Improvement Cycle
  - Conducting Annual Internal Audits

All staff and students are encouraged to complete an Opportunity for Improvement Form if they identify a system, process or procedure requiring implementation or improvement.

The implementation of the actions identified in the Opportunity for Improvement Form will be reviewed and discussed at the Monthly Quality and Compliance Meetings. Following is the process for opportunities for improvement:

1. An opportunity for improvement is identified

2. An Opportunity for Improvement Form is completed, by outlining the details of the current weakness in the system, process, procedure or practice.

3. In order to focus on the solution and not the weakness, the person who has identified the improvement is given the opportunity to also identify the “Action required for Improvement”. If they are not able to identify a solution, this will be given to the RTO Manager to resolve.
4. Submit the Opportunity for Improvement Form to the RTO Manager.

5. RTO Manager reviews the Opportunity for Improvement Form, and either reviews the suggested “Action required for Improvement” identified by the person who completed the form, or identifies what they believe the “Action required for Improvement”.

6. The RTO Manager enters the Opportunity for Improvement into the Opportunity for Improvement Register.

7. RTO Manager either then delegates the Opportunity for Improvement to be actioned by another staff member, or undertakes the Action to be completed.

8. Once Actioned and finalised, the Opportunity for Improvement Form is to be filed into the Opportunities for Improvement Register.

9. The Opportunity for Improvement is reviewed at the monthly Quality and Compliance Meeting. Minutes from the Quality and Compliance Meeting are distributed to all Training and Administration staff so that they can review the Opportunities identified.

15 Certification - 3.2-3.3

In determining whether a student is competent/or not yet competent, the student is assessed against the requirements of the qualification, including the units of competencies and the performance criteria and assessment requirements within the units of competency.

Students are issued with a VET Statement of Attainment or VET Qualification once competency has been achieved, as outlined within the Training Product. The testamur for all AQF qualifications issued will identify the qualification as an AQF qualification with the words “The qualification is recognised within the Australian Qualifications Framework”.

15.1 Access to Records

All student records, such as personal details and records of participation and progress (this includes data collected on the Enrolment Form and assessment results that are collected), are kept within a secure area (both electronic and hard files). An electronic record of each Student’s enrolment and participation is kept on the Student Management System for a period of 30 years, this record is password protected and is only accessible by employees of the RTO.

All students have the right to access their record of participation and progress within a timely manner, in order for a student to access their records they are required to forward a request in writing to the RTO. If the student wishes to provide a third party with access to their records, they should state this in their formal request in writing.

The RTO will provide, within 48 hours of receiving the written request, a transcript of the student’s participation and progress.

16 Credit Transfer - 3.5

AQF Certifications issued by other Registered Training Organisations (RTO) are recognised by this RTO, this enables individuals to receive national recognition of their achievements.

In order to apply for a credit transfer the student should complete the following steps:

1. Complete the “Credit Transfer Form”

2. Attach a certified copy of the authenticated VET transcript from the other RTO and highlight the units you wish to have applied to your current enrolment

3. Submit completed “Credit Transfer Form” and VET transcript to the RTO

4. The RTO in consultation with relevant trainer will review and confirm whether student is eligible for Credit Transfer (CT)

5. If the student is eligible, the result of CT should be applied to the unit within the Student Database
6. The **RTO** to advise the student in writing of the outcome of the credit transfer application:
   a) Student is eligible for CT and the result has been entered into the Database
   b) Student is not eligible for CT and the reason why

Authenticated copies are to be certified by a Justice of the peace or someone within the RTO can sight the originals and authenticate a copy.

17 **Unique Student Identifier**

The Unique Student Identifier (USI) scheme, enabled by the *Student Identifiers Act 2014*, allows learners to access a single online record of their VET achievements. The scheme also allows for reliable confirmation of these achievements by employers and other RTOs.

Unless exempt, the RTO must only issue a qualification or statement of attainment to a learner after:

- The learner has provided the RTO with a verified USI, or
- The RTO has applied for a USI on the students’ behalf.

A USI gives you access to your online USI account, which is made up of ten numbers and letters. It will look something like this: 3AW88Y9U5.

A USI account will contain all your nationally recognised training records and results from 1 January 2015 onwards. Your results from 2015 will be available in your USI account in 2016. When applying for a job or enrolling in further study, you will often need to provide your training records and results. One of the main benefits of the USI is that you have easy access to your training records and results throughout your life. You can access your USI account online from a computer, tablet or smart phone anywhere and anytime.

17.1 **Do you need a USI?**

You will need a USI when you enrol or re-enrol in training from 1 January 2015 if you are a:

- student enrolling in nationally recognised training for the first time, for example if you are studying at TAFE or with a private training organisation, completing an apprenticeship or skill set, certificate or diploma course; or
- school student completing nationally recognised training; or
- student continuing with nationally recognised training.

You are a continuing student if you are a student who has already started your course in a previous year (and not yet completed it) and will continue studying after 1 January 2015.

Once you create your USI you will need to give your USI to each training organisation you study with so your training outcomes can be linked and you will be able to:

- view and update your details in your USI account;
- give your training organisation permission to view and/or update your USI account;
- give your training organisation “view access” to your transcript;
- control access to your transcript; and
- view online and download your training records and results in the form of a transcript which will help you with job applications and enrolment in further training.

If you are an international, overseas or an offshore student please visit usi.gov.au for more information.

While students may create their own USI, our RTO is also able to create USIs for our students. As a part of the enrolment process we have included on the Enrolment Agreement Form a section for the student to provide their USI, if you do not have a USI in place, we can provide you with a USI Privacy Notice so that we can apply for a USI on the students’ behalf.

For more information, please refer to the following [http://usi.gov.au/Training-Organisations/Documents/FactSheet-RTO-Student-Information-for-the-USI.pdf](http://usi.gov.au/Training-Organisations/Documents/FactSheet-RTO-Student-Information-for-the-USI.pdf), a copy of the USI Fact Sheet is also accessible from the RTO head office.
17.2 Enrolment Process for USI

1. All clients are to complete an Enrolment Agreement Form, which includes a section for the student to provide their USI.

2. RTO to verify the USI supplied by the student before visiting

3. If the student does not currently have a USI, the RTO can apply for a USI on their behalf, by providing the following forms of ID to the RTO:
   - Driver’s Licence
   - Medicare Card
   - Australian Passport
   - Visa (with Non-Australian Passport) for international students
   - Birth Certificate (Australian)
   - Certificate of Registration by Descent
   - Citizenship Certificate
   - Immi Card (international students)

4. Completed enrolment forms are entered into the Student Management Database creating a client record within the database

5. The client record will be retained within the Student Management System with all records of attainments in an accessible format for a period of thirty (30) years.

6. Where a qualification or statement of attainment is recorded in the USI scheme, no additional records are required to be kept, as the records required will exist within the USI scheme.

23 Consumer Guarantee

The RTO guarantees that the services provided by the RTO will be:
This policy and procedure is relevant to all grievances arising in the following areas:

- provided with due care and skill
- fit for any specified purpose (express or implied)
- provided within a reasonable time (when no timeframe is set for the training).

On the Enrolment Agreement Form the supply of services states when the services will be provided and the date they will be completed. If the Enrolment Agreement Form does not include the dates, i.e. for RPL or on the job training, the RTO guarantees to supply the service within a reasonable timeframe. What is ‘reasonable’ will depend on the nature of the training and other relevant factors such as the students’ ability to complete the training and assessment.

23.1 **What happens if this guarantee is not met?**

In the first instance, the student should submit a complaint to the RTO identifying where the RTO has failed to meet its requirements against the Consumer Guarantee, please refer to the Complaints and Appeals policy on page Error! Bookmark not defined. for how to submit a complaint.

If a student believes that the RTO has failed to meet one or more of the consumer guarantees, he/she is entitled to a remedy – for example, a refund, a further service to rectify the problem and in some circumstances compensation for consequential loss. In line with the Complaints and Appeals process, the RTO will provide the appropriate remedy.

If the problem is minor and can be fixed, the RTO will choose how to fix the problem.

The consumer cannot cancel and demand a refund immediately, the RTO must have an opportunity to fix the problem. If the complaints process takes too long, the consumer is eligible to cancel the service and request a refund.

In the event of a major problem, and the RTO is unable to fix the training service, the consumer can choose to:

- terminate the contract for services and obtain a full refund, or
- seek compensation for the difference between the value of the services provided compared to the price paid.

A purchased service has a major problem when it:

- has a problem that would have stopped someone from purchasing the service if they had known about it
- is substantially unfit for its common purpose, and can’t easily be fixed within a reasonable timeframe
- does not meet the specific purpose the consumer asked for and can’t easily be fixed within a reasonable timeframe
- creates an unsafe situation.

The RTO is not required to provide a remedy or refund if a consumer:

- simply changes their mind, decides they do not wish to go ahead with the training
- discovers they can buy the training more cheaply elsewhere

24 **Complaints Policy**

Staff and students have the right to submit a complaint if they wish to express discontent against another person or a complaint against the RTOs process or system. In order to ensure that complaints are dealt with in a timely manner, we have implemented a complaints process.

If a Student or Staff member wishes to make a formal complaint they are required to complete a Complaints and Appeals Form, which is included in the Student and Trainers Handbook. Once the form has been completed, the form should be submitted to the RTO Manager for actioning.

If required, the student has the right to have a third party assist them through the Complaints Process, this may be due to language barriers or simply at the students’ request.

8. Each appellant:
   a. Has an opportunity to formally present his or her case
   b. Is given a written statement of the complaint outcomes, including reasons for the decision
9. If a solution cannot be found the matter is brought before senior management for resolution, agreeable to all parties.
10. If the RTO Manager is party to the grievance, they will not take part in any discussions or decisions made and the matter will be referred to another Director of the RTO.
11. If a solution has not been reached to the benefit of all parties the complainant has the right to request a review by an independent party, who is not part of the RTO
12. The RTO is responsible for acting upon the subject of any complaint found to be substantiated.
13. Complaints and Appeals Forms received are to be entered onto the Complaints and Appeals Register
14. If the RTO determines that the complaint process cannot be finalised within 60 calendar days the RTO Manager will:
   a. Confirm this in writing to the complainant, including reasons why more than 60 calendar days is required
   b. Will regularly update the complainant or appellant on the progress of the matter

Complaints and Appeals Forms are to be actioned by the appropriate staff member and filed into the Complaints and Appeals Register and a scanned copy is saved onto the students file within the database.

All Complaints and Appeals Forms are to be reviewed during the monthly Quality and Compliance Meetings and improvements are to be identified and implemented according to the Policies and Procedures of the RTO.
Should the internal process be unsatisfactory, you can lodge a complaint to:

- National Training Complaints Hotline (http://www.industry.gov.au/skills/nationaltrainingcomplaintshotline/Pages/default.aspx) Phone: 13 38 73, Monday–Friday, 8am to 6pm nationally. Email: skilling@education.gov.au

Once a formal appeal is lodged a new Assessor will be appointed in an attempt to resolve the appeal any decision recommended by this party is not binding to either party in the dispute.

28.11 Sexual Harassment Act 1984

All representatives of the RTO are required to note and agree to comply fully with the regulations and legislation preventing Sexual Harassment and ensure that all training participants are made aware of and comply with such regulations and legislation requirements.

Sexual Harassment includes but is not limited to:

1. Making unsolicited and unwelcome written, verbal, physical or visual contact with sexual over tones (for example: jokes, slurs, assault, touch or posters)

2. Continuing to express sexual interest after being informed that the interest is unwelcome

3. Masking reprisals, threats of reprisal or implied threats of reprisals following a negative response. (for example, suggesting a poor performance report will be given)

4. Engaging in implicit or explicit coercive sexual behaviour which is used to control, influence or affect the career, salary or environment of another

5. Offering favours or benefits such as promotions, favourable reviews, favourable assigned tasks, etc in return for sexual favours

The RTO strives for an environment free of sexual harassment. These policies against harassment apply to both the training and work environments for participants, clients, staff and contractors.

Anyone found to be in violation of this policy will be subject to appropriate disciplinary action, which includes warnings, reprimand, suspension, dismissal or cancellation of contract.

28.12 Harassment Act 1997

Harassment, victimisation, bullying or any such conduct that has the purpose or effect of interfering with an individual’s work performance or creating an intimidating, hostile, or an offensive learning environment, will not be tolerated. This includes harassment, victimisation, bullying because of sex, race, national origin, religion, disability, sexual preference or age.

Harassment is unlawful under Commonwealth and State legislation and all harassment, bullying and victimisation are contrary to the duty of care to provide a safe environment for work and learning.

Harassment, victimisation and bullying can take many forms. It can be overt or subtle, direct or indirect.
Examples of Harassment may include:

- Unwelcome physical contact
- Repeated unwelcome invitations
- Insulting or threatening language or gestures
- Continual unjustified comments about a client’s work or work capacity
- Jokes and comments about someone’s ethnicity, colour, race
- Pictures, posters, graffiti, electronic images, which are offensive, obscene or objectionable.

Examples of victimisation may include:

- Unfavourable treatment like aggression
- Refusing to provide information to someone
- Ignoring a person
- Mocking customs or cultures
- Lower assessment of client work

Examples of bullying may include:

- A person who uses strength or power to coerce others by fear
- Behaviour that intimidates, degrades or humiliates a person
- Aggression, verbal abuse and behaviour which is intended to punish
- Personality clashes and constant ‘put-downs’
- Persistent, unreasonable criticism of client work performance
- Client violence both physical and threatened against teachers

Staff and students should be aware that differing social and cultural standards may mean behaviour that is acceptable to some may be perceived as offensive by others. Such conduct, when experienced or observed, should be reported to your trainer or the Chief Executive Officer. All complaints will be promptly investigated.

28.13 Anti-Bullying

Violence, harassment and bullying are human rights issues that profoundly affect the lives of many people in Australia.

We all have a right to feel safe and respected. We all have a right to live our lives free from violence. Violence, harassment and bullying can violate these rights. They can also impact on other rights, such as the right to education and the right to health. Violence, harassment and bullying affect wellbeing and quality of life.

Victims can experience significant social isolation and feel unsafe. Bullying can lead to emotional and physical harm, loss of self-esteem, feelings of shame and anxiety, and concentration and learning difficulties. Tragically, violence, harassment and bullying can lead to suicide in extreme cases.

These are not issues that concern only children and young people. Violence, harassment and bullying can occur in a number of different environments, including in workplaces, care facilities and in the community, and can affect people of all ages and backgrounds.

Bullying can also take place in cyberspace: over the internet and on mobile phones. New technologies enable the spread of information, ideas and images to large numbers of people very quickly. There are many challenges in protecting people from violence, harassment and bullying in cyberspace.

We all have a responsibility to create a safe environment by standing up against violence, harassment and bullying. If bystanders take safe and appropriate action to stop bullying, we can all be a part of the solution. In the event of a situation that is considered by clients to be in violation of the RTO harassment, victimisation and bullying policy, report the situation to management.
