The cost of mediation is to be shared equally between the parties involved in mediation.

5.42. The external independent third party will manage the external appeal process through to completion.

5.43. If a learner elects to lodge an external appeal, it has the following effect on their enrolment:

a) If the appeal is against the College's decision to report the learner for:

- Unsatisfactory course progress, or
- Unsatisfactory attendance

The College must maintain the learner's enrolment (i.e. not report the learner for unsatisfactory progress or attendance) until the external appeal process is complete and has supported the College's decision to report. The College must wait for the outcome of the external appeals process in this case as reporting a learner for unsatisfactory progress or attendance may result in cancellation of the learner's visa.

b) If the appeal is against the College's decision to:

- Defer or suspend a learner's enrolment due to misbehavior, or
- To cancel the learner's enrolment

The College only needs to await the outcome of the internal appeals process (supporting the College) before notifying the Department of Education through PRISMS of the change to the learner's enrolment. Once the Department of Education has been notified of a deferment, suspension or cancellation of a learner's enrolment, the learner has 28 days in which to:

- Leave Australia,
- Show the Department of Immigration and Border Protection (DIBP) a new Confirmation of Enrolment (CoE), or
- Provide DIBP with evidence that he or she has accessed an external appeals process.

c) For all other scenarios, the College will maintain a learner's enrolment until the external appeals process has been completed.

5.44. Following the receipt of the outcome of the external appeal by the independent third party, the College will immediately implement the decision, convey the outcome to the learner, place a copy of the documentation on the learner's file, and undertake any continuous improvement actions arising from the decision.

5.45. Nothing in this policy and procedure inhibits a learner's rights to pursue other legal remedies. Learners are entitled to resolve any dispute by exercising their rights to other legal remedies.

## 6. RESPONSIBILITIES
