2. SCOPE

- 2.1. This document applies to all staff in the College.

3. DEFINITIONS

- 3.1. *Education agent* is a person or organisation (in or outside Australia) that recruits overseas learners and refers them to education providers. In doing so, the education agent may provide education counselling to overseas learners as well as marketing and promotion services to education providers.
Education agent does not refer to an education institution with whom an Australian provider has an agreement for the provision of education (that is teaching activities).
- 3.2. *DIBP* is the Department of Immigration and Border Protection.

4. POLICY STATEMENT

- 4.1. The College recognises that education agents are usually the first point of contact for prospective learners intending to undertake study in Australia and the activities and ethics of all education agents is important to Australia's reputation as a desirable destination for learners.
- 4.2. The College is committed to ensuring all education agents act ethically and appropriately when representing the College and when providing information to prospective learners about life and study in Australia.
- 4.3. The College will only engage education agents whose company is registered in the relevant country, state or province and, if applicable, in Australia.
- 4.4. All education agents must have an executed Education Agent Agreement prior to being officially engaged by the College.
- 4.5. The College will monitor education agent performance and activities using a variety of methods, including:
 - a) Evaluation of formal and informal feedback;
 - b) Education agent visits and meetings.
 - c) Reports from education agents and other external stakeholders.
 - d) Performance benchmarks and reports.
- 4.6. The College will not engage in any activities with an education agent who has been found to be dishonest, lack integrity or have engaged in unethical behaviour.
- 4.7. The College retains the right to veto any education agent activity that in the College's opinion is not compliant with:
 - a) The Education Agent Agreement; or
 - b) Any relevant legislation; or
 - c) Any information provided to the education agent by the College.

5. PROCEDURE

Education Agent Appointment

- 5.1. Education agents are required to complete and forward the College's Education Agent Application Form along with certified copies of proof of business to the College's CEO.

- 5.2. The College's CEO has the final responsibility to check the credentials of the education agent prior to accepting or rejecting of an application.
- 5.3. The College's CEO will assess all education agent applications, and will accept an application only where the applicant has demonstrated that they have the appropriate knowledge and understanding of the Australian international education industry and will maintain the reputation of the Australian international education industry.
- 5.4. The College's CEO will send an Education Agent Reference Check Form to the referees listed on the Education Agent Application Form. If the College CEO already knows the education agent as they have been a previous agent of the College or have previous working experience with the College, this step may not be necessary.
- 5.5. Once reference checks and all applicable documentation have been completed, the College's CEO will decide if the agent will be engaged by the College.
- 5.6. If an application *is* approved, the College's CEO prepares the Education Agent Agreement and sends the agreement to the education agent to be signed.
- 5.7. If an application *is not* approved, the College's CEO informs the education agent in writing of the outcome of their application.
- 5.8. The College retains copies of all signed Education Agent Agreements.
- 5.9. The education agent is added to the list of approved agents listed on the College's website.
- 5.10. The education agent is provided with current College marketing and other information required to perform their learner recruitment duties as an agent. The College's CEO will provide any subsequent updates to the College's marketing material to education agents.
- 5.11. The College will inform the regulator of the written agreement entered into for the delivery of services on its behalf by an agent within 30 calendar days of that agreement being entered into, or prior to the obligations under the agreement taking effect, whichever occurs first; and within 30 calendar days of the agreement coming to an end.
- 5.12. The College will enter the education agent's details into our student management system and into our PRISMS account.
